Charles L. A. Terreni
Chief Clerk/Administrator
Public Service Commission of South Carolina
P O Drawer 11649
Columbia, SC 29211

Dear Mr. Terreni;

Attached please find our letter of response dated July 13, 2009 that was submitted immediately upon receipt of the first petition. This petition was the first correspondence that we had received that indicated we were not in compliance with the Public Service Commission and was immediately rectified with the attached information.

The failure to comply by this agency was in no way a willful act to disregard the prescribed regulation. As stated in the aforementioned letter it was simply a matter of oversight due to being new to this program. It is the policy of this agency to always comply with all necessary reporting requirements.

We would appreciate a response advising us if this issue is now resolved or what further requirements are needed. If you need any further information, please do not hesitate to contact me.

Respectfully,

Charlotte McNichols
Finance Director
